Dear Jean,

It was good talking to you and hoping to for us to start some business in Egypt soon, for now please see attached file concerning the tender for Egypt, also I added one more file for the procedure of doing business with the armed forces in Egypt.

As this is a small tender, please try to work it out for us to start doing the business with the customer.

Thanking you in advance.

Best Regards

Rami Ghanem

Subject: SOPMOD Para Rifle 5.56X45

If your are interested by a complete SOPMOD upgrade kit for the Galil or any assault rifle, we can offer you a Z-Rail conversion kit. No modification required to the rifle. It takes about 5 minutes to install it including the option for the M203 rail option.

See attached dcoument

Procedure of how to do business and submit offer for the Egyptian Armed Forces:

- Receive an RFP
- Prepare a complete technical offer and a financial offer (must be in 2 deferent offers)
- In the financial offer you should add a 20% the commission of the local agent
- Make a Power of attorney letter for the customer on your company letter head notarized by Chamber of Commerce stating the name of your agent for the offer (please see below the draft power of attorney)
- Also in some of the offers you will be required to add another 30-35% on the top of the prices because it's required by the customer if your company is qualified technically then they will required the agent to meet for negotiation on the prices and the 30-355 will be used to please them when you use it as a discount..... even though they know the prices well but that's the common way of doing business.
- Submitting the original offer to the nearest Egyptian Embassy to the military attaché in case your country does not have an Egyptian military attaché then it have be send to the nearest country whom are handling your country.... In case we run to this matter we will proved you with address of the nearest Egyptian military attaché.
- A copy of the complete offer have to be send to our company for us to print it and submit it to customer Procurement department.
- Validity of the offer have to be 3-6 months
- Try to offer exact specifications and any alternative items

Thanking you in advance for your understanding
